Parents Feedback Report -2021-2022

Government Arts College (Autonomous), Salem -636007 is highly committed to provide quality working to the students who are mainly from rural background. The parents with this background create many challenges and we are committed to face these challenges in an effective manner. To ensure continuous improvement, the requirements of the parents have to be carefully identified for which we use the mechanism of obtaining the feedback. This survey is done every academic year with a sample of around 986 parents.

The IQAC of this college took the lead in conducting the parents feedback on-line in March 2022. The Feedback results were electronically tabulated and printed by IQAC for analysis and for continual improvement to processes and systems. The analysis was compiled into a survey report which was submitted to the principal review and approval prior to implementation of recommended improvement actions. Survey report was made available to parents after approval and it is uploaded in the college web portal.

The parents survey was done online through using Google forms. Hence this digitalized process is Green and Automatic. The online mode of data collection ensures speedy acquisition of information and also prompt analysis. This sample survey which is done with a sample of 986 parents, will be extended to the process of Complete Enumeration in future. The consolidated analysis and the findings are given as diagrams as follows.
